About Toronto Cupcake

We are driven by loving what we do and what we make everyday. We get to use the finest ingredients to make what we believe are the tastiest treats around. And.. we love the idea that our treats are making people happy every time they bite into one. How much fun is that!

About Michelle

Toronto Cupcake was created by Michelle Harrison so she could pursue her love of baking. A lifelong baker, inspired by her mother, Michelle opened Toronto Cupcake in August 2010 as one of Canada's first gourmet cupcakeries.
